Luke's Gospel – An Inclusive Savior Lesson Thirteen

[Luke 9:28-36]	Identification Confirmed
vs.27	Jesus says some will not die before they see the kingdom of God. This is
	a prophecy that will be fulfilled mightily for James, John, & Peter
vs.28	Jesus is transfigured <i>while</i> he is praying.
vs.30	The two most influential (and popular) figures in Judaic history appear.
vs.31	Only Luke's record reveals the topic of their conversation.
	Instead of viewing Christ's death as <i>death</i> , it was more like an "exodus":
	Jesus' leaving the flesh to enter his promise!
	For Luke, it's important that Elijah and Moses are present to concur.
vs.32-33	The disciples were sleeping because it was night.
	The power on the mountain woke them up, and they stayed awake.
	Peter's excited statement reveals a grave misunderstanding: placing Jesus,
	Moses, & Elijah on the same level.
vs.34-35	God fixes Peter's misunderstanding
	God does not diminish the words of Moses & Elijah but confirms Jesus as
	the proper interpreter and fulfillment of the scriptures.
vs.36	This event is too much for the disciples to discuss - they are not dead, but
	too have seen the kingdom of God(a true glimpse of Jesus' glory)
NOTE: Jesu	s does not make this happen (he's wrapped in flesh). God makes this
happen!
